Council Connections

Council Continuing Business

Topics of discussion are many and varied. They include the LEAP partnership for developing our backlot for low-income housing, with considerations for preserving the Community Garden and whether a community well is also possible. The personnel committee continues to work with the candidate for the Director of Music Ministry position. Covenant Presbyterian has been using our handbells for some spring music events, one of which will be at King of Glory during the May 21st morning service. The Nominating Committee is in need of four new members to be appointed - two for one-year terms and two for two-year terms so that in the future, pairs of committee members will rotate on and off of this committee.

2023 King of Glory Council

To review the outcome of the elections at the January Annual Meeting of the Congregation, the three newly elected members to the Council are Paterne Narand, Becky Newberry and Joel Tompkins. They have joined Dwayne Gjoraas, Matt Lee, Dan Price, Mary Rickerd, Katie Vaage, and Pastor Connie. Carolyn Jean Smith continues as Treasurer. During the February Council meeting these individuals were elected as officers of the congregation: Becky Newberry President; Dan Price, Vice President; Joel Tompkins, Secretary. The position of Treasurer is elected by the congregation and serves in an ex-officio capacity on the council. Thank you for your continuing prayer support for these congregational leaders.

Council Connections

Masking

A continuing item of business on the monthly council agenda for the past year has been review of safe behavior related to pandemic issues. In consideration of Ada County's caseloads of Covid, RSV and flu, the policy of wearing masks will continue to be "highly encouraged" but not required. Thank you for your efforts the past year to enable this community of faith to be together in-person.

60th Celebration

King of Glory is celebrating its 60th birthday in 2023!
It will be a year-long celebration.
You are invited!

A 60th Task Force has met several times coming up with great ideas and enthusiasm for a special year.

Rather than a sequence of planned events, the celebration will feature displays set up in the Fellowship Hall of “memories” for you to enjoy, articles throughout the year in the newsletter, interviews on our website, and a CornFeed Party on the lawn in August. WELCA is working on a 60th Anniversary cookbook and is soliciting your favorite family recipes. There are also plans to develop a pictorial membership directory.

Do you have memories that would be special to share? Mary Kay Tinker is preparing interviews and stories. Do you have photos? Lisa Kraft or Nicki Tompkins are preparing photo displays. Gabrielle Applequist is collecting correspondence from members who have moved away and will be happy to make copies to share.

WELCA

King of Glory's WELCA is excited to start 2023 on a wonderful and positive foot. We have met our philanthropies locally, nationally and world wide. We are so fortunate, with the support of King of Glory, to be able to help support many and various efforts. As we look forward to upcoming months, WELCA has several items on the docket that include all members of King of Glory:

SPRING LUNCHEON

The annual Spring Luncheon will be held at 12:00 Saturday, April 22nd . Our program will be a presentation from our local Days for Girls chapter with Charlene Etoke providing her personal experience and perspective on the goals of Days for Girls. Ticket sales (\$10.00 each) will commence Sunday, March 19th.

Please invite friends and family to a very delicious, fun and educational afternoon. WELCA invites all New American women and girls to attend the Spring Luncheon at no cost. Transportation will be provided so please sign up for carpooling.

****See the carpooling sign-up sheet on the WELCA bulletin board by the copy room.****

LITTLE LIBRARY

As we continue to be caretakers of the Little Library, it has become apparent that we are low on particular items to restock the library. Those items in need are Elementary Chapter Books, Middle and Senior High Books. As you clean out closets and shelves this coming Spring, please consider donating these types of books to the overflow bins located by the Fellowship Hall.

Adult Education

THE EARLY CHURCH

Sunday April 23rd & 30th, 11:15 AM

Bill Amos will present classes on the early church that formed immediately after Christ's ascension.

CIVIC LIFE AND FAITH

The Social Justice Committee will be offering a 6 session-study during the Sunday adult education on **May 7, 14, 21, 28, June 4 & 11 at 11:15 AM.**

The ELCA is inviting congregations to study the topic of Civic Life and Faith and send comments that will be considered in its draft social statement.

To download the study, learn more about the task force's work, and get prepared for our Sunday school sessions, go to

elca.org/civicsandfaith

Each session includes watching a video, group discussions, and case studies taken from everyday life. At the end of each session, the participants will fill up a response form to communicate with the task force on the material covered.

We strongly encourage the King of Glory's members to participate in this study and make their voices heard.

CHRISTIAN LIFE STUDY

Do I Stay Christian? A Guide for the Doubters, The Disappointed, and the Disillusioned by Brian McLaren is the chosen "spring read" for the Christian Life study group. Discussions begin Monday, April 17 via Zoom. According to McLaren, there is a "way" to say yes and no to the question of staying Christian by shifting the focus to how to stay human. Intrigued? Want to further discuss and wrestle with this question? You are invited to join this study group that has been meeting twice a month for over ten years, wrestling with faith questions.

If you are interested purchase the book, and begin reading. **The Christian Life Study group meets the first and third Mondays, beginning at 1 PM via Zoom.** Contact Mary Rickerd for the Zoom link.

Partners in Ministry

From Our Companion Synod - Tanzania

Tumaini Lutheran School (TLS) is a ministry outreach of the Ulanga Kilombero Diocese (UKD) of the Evangelical Lutheran Church in Tanzania, our companion synod. Over the past 25 plus years, our relationship with the school has grown. Pastor Moses Nwaka, our guest here in the synod in 2019 and 2017, is now the Director of the School. Many people in our synod have seen pictures of the great progress at the school via Pr. Moses' Facebook correspondence.

TLS is a secondary school with both male and female students. It is also a Bible School for training Evangelists, lay people who work in remote areas where pastors may not always have the opportunity to be present. The school year runs from late January to early November and students live on campus. The enrollment fluctuates and, thankfully, is on the rise again after the pandemic and subsequent economic crisis in Tanzania. There are now 106 students, with more joining as the year goes on.

NWIM Synod has been instrumental in helping the school with building projects. The Assembly and Dining Hall was a huge project and is now a beautiful building where students can have assemblies and worship out of the rain, eat their meals, and hold National Examinations. The building also attracts government and other groups as a welcoming meeting space, which brings a little income to the school. The Assembly and Dining Hall is a great gift for the school. Recently, smaller projects of a library space with new books, a wall around the campus, and laboratory space has been funded through congregations in our synod. Pastor Moses, TLS, and the entire staff and student body is very thankful for the support that NWIM Synod offers.

Partners in Ministry

From Our Companion Synod - Tanzania Continued...

Most importantly, our synod offers scholarships to female students. As the saying goes, when you educate a girl, you benefit an entire community. Yet, frequently families who can barely afford secondary education will only send their sons. Working through the NWIM Women of the ELCA, we have been able to provide a minimum of 10 scholarships over the past many years! These girls will make such a difference in the future of their community and their country.

We plan to have guests from the UKD with us for our 2023 Synod Assembly in April. Additionally, a Synod Trip to the UKD is in the work for Summer of 2024. Watch for details if you are interested, or email Deacon Heidi Cryer at hcryer@thelordoflife.org

Asante Sana, Thank you, for the continued support of TLS and our companions in the UKD!
